**General Comment:**

COGCC Inspection Report Summary

On Thursday 11/19/20 at approximately 12:00 hours, I, Inspector Corey De Paolo,

Conducted an on-site inspection at LARAMIE ENERGY LLC NVega /2B Pad,

Location #334465 in Mesa County Colorado.

While there, I observed normal production operations.

During this inspection the following possible compliance issues were observed: Sediment is being transported off of location and on to access road due to tracking. See photo #2282, #2283 and #2284 with a corrective action date of 12/4/20.

A follow up on this site inspection needs to be conducted to ensure the

Compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
