<p>COGCC Inspection Report Summary On Tuesday 11/24/2020 at approximately 12:30 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDC Energy UNI-UPRC 15-3 location #333154 in Weld County, Colorado. While there, I observed that the wellhead packing was leaking and the crude oil tank earth berm had been damaged. During this inspection the following possible compliance issues were observed: Rule 605.a.(4). with a corrective action date of 1/26/2021, Rule 605.d. with a corrective action date of 1/26/2021. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.</p>	petersont	11/24/2020
