**General Comment:**

COGCC Inspection Report Summary

On Monday 11/30/20 at approximately 11:00 hours, I, Inspector Corey De Paolo,  
Conducted an on-site inspection at LARAMIE ENERGY LLC Laramie Land & Cattle Co /36-10 Pad,  
Location #334516 in Mesa County Colorado.

While there, I observed normal production operations.

During this inspection the following possible compliance issues were observed: Sediment is being transported off of location due to tracking. See photo #2338, #2339, #2340 and #2341 with a corrective action date of 12/15/20.

A follow up on this site inspection needs to be conducted to ensure the  
Compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
