On Wednesday 12/9/20 at approximately 12:00 hours, I, Inspector Corey De Paolo, Conducted an on-site inspection at LARAMIE ENERGY LLC Nichols /24-06 Pad, Location #334504 in Mesa County Colorado.

While there, I observed normal production operations.

During this inspection the following possible compliance issues were observed: Sediment is being transported off of location and on to access road due to tracking and lack of stabilization. See photo #2426, #2427, #2428 and #2429 with a corrective action date of 12/24/20.

A follow up on this site inspection needs to be conducted to ensure the Compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
