1003 f. Weeds Noxious weeds? \_\_\_\_\_

Comment Operator has performed interim reclamation activities to reduce disturbance areas only needed for production operations. Germination of winter wheat has begun; however, large interim reclamation areas and reference areas have not germinated at the time of this inspection. Therefore, Staff will have to conduct a follow up to ensure 1003 compliance.

Operator shall continue to monitor and manage this site until the location meets Rule 1003 standards, including weed management.
