<p><b>THIS IS A FOLLOW UP INSPECTION TO PREVIOUS INSPECTION DOC#: 679603221.</b> All previous corrective actions have been resolved. Two new corrective actions were observed at the time of re-inspection.</p> <p>COGCC Inspection Report Summary  <b>**Weather Conditions: sunny, dry ground</b>  On Wednesday, January 6, 2021 at approximately 10:30, I, Inspector Brittani Santistevan, conducted an on-site inspection at GREAT WESTERN PAD 6 (Great Western Oil &amp; Gas), at location #: 333026 in WELD COUNTY Colorado.  While there, I observed a shut in facility.  During this inspection the following possible compliance issues were observed:  1. All three wellheads do not contain signs. Install signs to comply with Rule 210.b. (Corrective Action Date: April 6, 2021) See attached photos #1, 2, 3.  2. Disconnected automation equipment in each wellhead fencing. Re-connect or remove from location to comply with Rule 603.f. (Corrective Action Date: April 6, 2021) See attached photos #1, 2, 3.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.  This is a summary of inspection report.</p>	santistb	01/06/2021
