General Comment:**COGCC Inspection Report Summary**

On Tuesday 1/5/2021 at approximately 1130, I, Inspector Scott Ramsey, conducted a routine inspection at Grizzly GGU 1-30, at Location # 335281 in Garfield county Colorado.

While there, I observed normal production operations. All meters have been calibrated on location within the past year. Three (3) Braden heads are tied into sales.

During this inspection the following possible compliance issues were observed:

- No evidence of tracking control BMP's
 - One (1) tank label is falling off
- Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
