1	roposed oil and gas location is situated in the Agricultural Zone District of unincorporated Weld County. A 1041 Weld Oil and Gas Location Assessment (WOGLA) is required prior to constructing any improvements related to oil and gas exploration and production. The operator has applied for a WOGLA, and their application is under review. This application has been assigned the file number 1041WOGLA20-0010. All application files are viewable online through Weld County's E-Permit Center. A hearing will be scheduled for 1041WOGLA20-0010 before the Weld County Oil Gas Hearing Officer when the application has been deemed complete. A building permit is required for the production facilities (tank battery, separators, pump jacks, compressors, generators, etc.) from the Department of Planning Services. Access points from County roads require an Access Permit from the Department of Public Works, which includes any necessary traffic control plans and Improvement Agreements. The use of County right-of-way requires a permit from the Department of Public Works. Jason Maxey Director, Oil Gas Energy Department and LGD 970-400-3580	08/05/2020
