COGCC Inspection Report Summary  
On Monday 1/20/2021 at approximately 1400, I, Inspector Scott Ramsey, conducted a routine inspection at Grizzly Jackson 9-28, at Location # 335347 in Garfield county Colorado.  
While there, I observed normal production operations. All meters have been calibrated on location within the past year. During this inspection the following possible compliance issues were observed:

- Provide proof of tracking control BMP's
- Location shows signs of lack of stabilization BMP's in some areas (rutting is present) BMP's require maintenance. Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
