**General Comment:**

[COGCC Inspection Report Summary](#)  
 On Monday 1/25/2021 at approximately 1400, I, Inspector Scott Ramsey, conducted a follow up inspection at Ursa Coloroso A, at Location # 336027 in Garfield county Colorado.  
 While there, I observed normal production operations. All meters have been calibrated on location within the past year. All C/A's from previous inspection document # 700701921 have been completed. Operator has provided documentation of their Best Management Practices for Pad Surface Stabilization.  
 During this inspection the following possible compliance issues were observed:  
 • Tank battery signage is missing information and located at entrance of location  
 Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
