

**Legend**

- - - Rademacher 37-25 flowline location
- ▲ Proposed soil screening location

**Notes**

All locations are approximate unless otherwise noted.

Additional soil screening locations may be added, based on field observations indicating previous flowline repairs or changes in flowline material

Samples may be collected if impacted soils or groundwater are encountered during flowline abandonment activities.

0 ft.                      100 ft.                      200 ft.
