General Comment:**COGCC Inspection Report Summary**

On Thursday 1/21/2021 at approximately 1300, I, Inspector Scott Ramsey, conducted a routine inspection at Grizzly Jackson 15-28, at Location # 335346 in Garfield county Colorado.

While there, I observed normal production operations. All meters have been calibrated on location within the past year.

During this inspection the following possible compliance issues were observed:

- Provide proof of tracking control BMP's
- Location shows signs of lack of stabilization BMP's in some areas (rutting is present) BMP's require maintenance.

Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
