**General Comment:**

COGCC Inspection Report Summary

On Friday 1/29/2021 at approximately 1030, I, Inspector Scott Ramsey, conducted a follow up inspection at Ursa Frie A, at Location # 417777 in Garfield county Colorado.

While there, I observed normal production operations. Some C/A's from previous inspection document # 700701909 have been completed. During this inspection the following possible compliance issues were observed:

1. Tank battery signage is missing information and located at entrance
2. Location still shows signs of lack of stabilization

Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
