<p><a href="#">COGCC Inspection Report Summary</a>                      On Tuesday 2/2/2021 at approximately 12:50 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Magpie Operating Trindle #3 location #307046 in Larimer County, Colorado.                      While there, I observed that the SE guy line anchor was unmarked. During this inspection the following possible compliance issues were observed: Rule 1003.a. with a corrective action date of 2/19/2021.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of the inspection report.</p>	petersont	02/02/2021
