General Comment:**COGCC Inspection Report Summary**

On Thursday 2/4/2021 at approximately 1030, I, Inspector Scott Ramsey, conducted a follow up inspection at Grizzly Stranahan 21B, at Location # 335440 in Garfield county Colorado.

While there, I observed normal production operations. All meters calibrated on location within a year. The C/A's from previous inspection document # 700702005 have NOT been completed.

During this inspection the following possible compliance issues were observed:

1. Location still shows signs of lack of stabilization from previous inspection on pad

2. No evidence of tracking control BMP's

Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
