COGCC Inspection Report Summary

On Friday 2/1/2021 at approximately 1000, I, Inspector Scott Ramsey, conducted a follow up inspection at Ursa Mclin A, at Location # 421223 in Garfield county Colorado.

While there, I observed normal production operations. All meters calibrated on location within a year. C/A's from previous inspection document # 700701910 have been completed.

During this inspection the following possible compliance issues were observed:

1. Tank battery signage is missing information and located at entrance

Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
