 This approval is good for one year and a new application must be made before December 04, 2019(1 year from prior application). Updates for the planned utilization of the well should be included with the application. A Form 5A is required to report all plugs currently downhole which isolate the perforated interval. The Form 7 reporting must reflect the well status dates reported on the Form 4-TA request.

Form 7s are delinquent, corrective action date from previous inspection is 5/1/2020.

Corrective Action: [Last approved Form 4 for TA status was in 2018. Submit Form 4 requesting TA status.](#)
