 Nature of Complaint: odor
 Field Inspector Actions:
 On 2-8-2021, I Randy Silver area field inspector was assigned a complaint received by COGCC staff in reference to Odor. The complainant Jeff Hartzell 803 Eva Peak Drive stated the issues were occurring outside of complainants home.
 On 2-10-2021, I attempted to make contact with the complainant who indicated that on 2-7-2021 experiencing a bad smell coming from the north.
 I performed a complete site inspection of the oil and gas location and associated wells in the area. At time of inspection, I did not smell any unusual odors in or around location. At time of inspection, crew was setting up equipment for frac. Contractor was installing pipeline on south side of location. There are multiple construction sites around neighborhood on North East side, developers building home sites. These construction sites have multiple pieces of heavy equipment working on them and multiple crews building house foundations. Could not associate this complaint to any oil and gas activity in area.
 Weather conditions: Cloudy.
 No violation of COGCC rules were observed at the time of the inspection.
 All information reviewed and site inspection information were submitted to the COGCC for further review.
