6/9/89 - George CLAY called for a MR. PEROUIS, LANDOWNER, IN INQUIRY MODE.

PROBLEM - DRILLING PITS ARE OPEN, THIS WAS AN APPARENT 'SCAM' OPERATION, AS WELL WAS "NEVER DRILLED". AN ACETYLENE TANK WAS BURIED ON LOCATION & PIPED INTO 'WELLHEAD'.

ANYWAY - LANDOWNER SAYS HE OWNS THE SURFACE, FEELS THE MINERALS, BUT WELL WAS PERMITTED AS FEE & BOND APPARENTLY POSTED.

JOHN - Where is BOND?!

Released

SSK

CALL KTB - schedule inspection.  
6/13/89 - KTB contacted, will meet w/  
MR PERONIS & REPORT BACK.
