RE: #2-19 Peroulis Well
N $\frac{1}{2}$ NW $\frac{1}{4}$ NW $\frac{1}{4}$, 19-8N-92W
Moffat County, Colorado

Dear Mr. Smith:

Thank you for your letter dated March 24, 1986 concerning the captioned well. Please be advised hereby that by contractual agreement between myself and Carey Resources, Inc. (presumably still at address shown on Permit No. 84-1458), Carey is the party obligated to submit, or cause the submitting of, the required forms for the #2-19 Peroulis well.

I advised Carey Resources, Inc. early in 1985, both verbally and in writing, of this requirement. Since that time there has been limited communication between us, and Carey may not be fully aware of the Colorado regulations.

If you can suspend this matter until the end of this month, I will make every effort to contact Carey in New York City and get the appropriate forms filed, either by Carey or myself, or both of us.

Thank you.

Sincerely,

G. J. Morgan
