Comments:

All cattle guards, culverts and fencing have been removed from location and access road. Location was graded to approximate original contours. Top soil was spread over location and seeded with Snyder and Counts Custom and Dryland Pasture Blend (See attached). There is a pre-existing two track trail through location that properly owner/rancher uses. Photos of the pad location and existing trail are attached to this form as well as a statement from our weed control specialist concerning the presence of noxious weeds.
