General Comment:

On 2/24/2021, Reclamation Specialist Trujillo conducted an interim reclamation and stormwater at TEP's Chevron Chevron 65S97W 16SWSE location in Garfield County, Colorado.

The following compliance issues were observed during this inspection:

606.a: Equipment, weeds, waste and trash requirements.

Refer to the "Good Housekeeping" section of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up inspection on this site will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

 VEGETATIVE COVER _____

1003 f. Weeds Noxious weeds? _____

Comment Limited visibility due to snow cover prevented Reclamation Specialist from conducting an accurate assessment of the interim reclamation; it was observed in this inspection that Location appears to have been reduced to only areas reasonably needed for production. Vegetation that was visible above snow cover were desirable perennial species. A followup inspection will need to be conducted in a future growing season to determine compliance with COGCC 1003 rules.
