Re: *Field Inspection Reports*

Dear Ms. Roy,

I am following up on the three (3) field inspection reports SWEPI received, namely:

- (1) Document Number 693901033, 11/5/2019 submittal date, Location ID 393152
- (2) Document Number 693901446, 2/25/2020 submittal date, Location ID 393975
- (3) Document Number 693901433, 2/24/2020 submittal date, Location ID 393103

In my previous correspondence dated November 5, 2020 regarding Document Number 693901033, I responded that Ms. Wiltz provided the COGCC a copy of the PSA evidencing the sale of SWEPI's interest in the McElmo Dome to Shell CO2 in 1999. Shell CO2 is now Kinder Morgan. Kinder Morgan remains the owner/operator of SWEPI's right, title, and interest in the area, including the McElmo Dome.

After further research of our files regarding the remaining two inspection reports, SWEPI has determined that those sites as well were part of the previous divestment, and Kinder Morgan is now the owner/operator of SWEPI's right, title, and interest of all of the properties referenced in all three (3) inspection reports listed above.

Therefore, I request that you please update the COGCC records regarding the ownership referenced in Document Numbers 693901446, 693901433, and 693901033.

If you have any questions or need further information, please feel free to contact me on my direct line at (832) 337-2434, or Carrie.Bogle@Shell.com.

Yours sincerely,

Carrie Bogle
