Good afternoon,

We had a state reportable release this today due to the quantity of produced water released within secondary lined containment at the location referenced below. This release has been controlled. The release was caused by a hole in the temporary water tank. Clean up activities are ongoing at this time, and a Form 19 Release Report is forthcoming. This release did not threaten Waters of the State, Public Water System, residences or occupied structures, livestock, wildlife, air quality, or publicly-maintained roads.

The following have been notified via specified method below:

- Weld County via electronic mail,

- The city of Dacono via electronic mail,
- Surface Owner contacted via electronic mail,

The Environmental Release/Incident Report Hotline and Colorado Parks and Wildlife were not contacted as this release did not trigger notification requirements per 912.b.(2)B.

Location Details:

- Well/ Facility Name: BUDDY 17-7HZ PAD
- Location: NENE 7 1N67W
- Latitude/Longitude: 40.070709/-104.927768
- Facility ID: 458702

Please let me know if you have any questions.

Thank you,

**Ariana Ochoa**
