

Methanol, 135 Gallons, 135 Gallons, 135 Gallons, 135 Gallons

METHANOL

Flammable Liquid

DANGER! Flammable Liquid
Poisonous - DO NOT swallow or inhale. Avoid contact with eyes and skin. Maintain vapors below recommended TLV.

CAUTION: Methanol is a highly flammable liquid. It is also a toxic substance. It can cause blindness if it gets into the eyes. It can cause death if it is swallowed. It can cause damage to the nervous system if it is inhaled. It can cause damage to the liver and kidneys if it is absorbed through the skin.

HAZARD IDENTIFICATION:

HAZARD	SEVERITY
Flammable	3
Toxic	4

PRECAUTIONS:

Prevention: Store in a cool, dry place. Keep away from heat, sparks, and open flames. Do not use near fire or other sources of ignition. Do not breathe vapors. Do not get on skin or clothes. If you get it on your skin, wash it off immediately with plenty of water. If you get it in your eyes, flush them out immediately with plenty of water. If you swallow it, do not induce vomiting. Go to the nearest hospital.

Response: If you spill it, contain it immediately. Do not let it get into the water or soil. Clean it up as soon as possible. Do not use water to clean it up. Use a spill kit. Dispose of it properly.

Storage: Store in a cool, dry place. Keep away from heat, sparks, and open flames. Do not use near fire or other sources of ignition. Do not breathe vapors. Do not get on skin or clothes. If you get it on your skin, wash it off immediately with plenty of water. If you get it in your eyes, flush them out immediately with plenty of water. If you swallow it, do not induce vomiting. Go to the nearest hospital.

Disposal: Do not pour it down the drain. Do not throw it away in the trash. Contact your local hazardous waste disposal company for instructions.
