Comment:

Operator has performed additional final reclamation activities with the evidence of desirable establishment of vegetation. However, there is not uniform vegetative growth; therefore, it will remain in process.

Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct inspections prior to receiving said notice to ensure compliance with Rule 1004.
