General Comment:**COGCC Inspection Report Summary**

On Wednesday 3/31/21 at approximately 13:00 hours, I, Inspector Corey De Paolo,
Conducted a follow up inspection at CAERUS PICEANCE LLC KEINATH FEDERAL-68S96W /18SWNE,
Location #334316 in Mesa County Colorado.

Refer to document #699802212 inspection conducted on 12/4/20. All previous corrective actions have been completed.

While there, I observed normal production operations.

During this inspection the following possible compliance issues were observed:

1) Access road lacks stabilization. See photo #3357, #3358 and #3360. Sediment has migrated into ditch. See photo #3359 and #3361. No form of tracking control at entrance to access road. See photo #3362. Access road is used to access location and does not have any public access. See photo #3363 with a corrective action date of 4/15/21.

- Location is located on the edge of a high priority habitat area.

A follow up on this site inspection needs to be conducted to ensure the
Compliance issues have been corrected to comply with COGCC rules.
This is a summary of inspection report.
