Subject: Re: Marble 34-33 Help!

Good morning Susan,

Sorry it took me awhile to get back. MIT is not required.

Thanks,
Alicia

Good afternoon Alicia,

This is Susan Wolfram from Evergreen Natural Resources. On the well site Marble 34-33. I need your help on what I need to send you to close out the following CA:

Inspection 695104222, please find attached

CA: ACCORDING TO PRODUCTION RECORDS FILES ON COGCC DATABASE WELL
HAS BEEN IN A TA STATUS FOR OVER 30 DAY SEVERAL TIMES WITH NO MIT ON
RECORD. THIS IS THE SECOND NOTICE OF THIS CORRECTIVE ACTION.

Closed out last year with FIRR 402505605, please find attached

With Form 5A Marble 34-33, please find attached

Then I find out (The Marble 34-33 is a dual zone well with one zone T&A and top zone still producing, so not subject to MIT requirements)

What would you like for me to do?

Thank you so much for your help!
