OPERATOR COMMENTS AND SUBMITTAL

Comments Hi- This flowline shape file supports registration document numbers 402226886 and 402226905 from 2019 registration. Form 402226905 was sent back into drafts from Steve Wheeler needing more information. I tried to submit the form and it would not submit due to an "ID" issue. I called Steve and did not hear back. Hopefully this takes care of everything.
Andrew
