COGCC Inspection Report Summary

\*\*Weather Conditions: cloudy, dry ground

On Monday, April 19, 2021 at approximately 10:30, I, Inspector Brittani Santistevan, conducted an on-site inspection at LEFFLER SE-2 (PDC Energy), at location #:310076 in WELD COUNTY Colorado.

While there, I observed shut in wellheads.

During this inspection the following possible compliance issues were observed:

1. One wellhead displays previous operator name. Install sign to comply with Rule 605.d. (Corrective Actions Date: July 19, 2021) See attached photo #3.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
