Type of Spill: _____

Estimated Spill Volume: _____

Comment: Spill area has been backfilled. As per email from Operator backfilling occurred 4/18/2021.

Corrective Action: Per COA on Form 19 Document #402517683 submitted on 10/23/2020: Operator will provide documentation justifying closure within 45 days of spill release (11/15/2020). Documentation shall include confirmation soil and groundwater sample analytical data that verifies compliance with Table 915- 1, a sample location diagram, summary table of analytical results compared to table 915-1 standards, analytical lab reports, and disposal manifests. If investigation and remediation require further actions beyond 45 days then submit a Form 27 for approval within 45 days of spill which includes an implementation schedule and remediation workplan for the spill cleanup. Operator is also required to provide an updated root cause of the incident and preventative measures that will be taken to prevent reoccurrence. Please give the location of the failure (i.e. 6 O'clock position) and if the root cause is corrosion explain if it is external or internal out the extents of the impacts
