VEGETATIVE COVER _____

Comment: The associated offsite tank battery appears to meet Rule 1004 standards; however, portions of the well location access road and both well locations do not meet Rule 1004 standards.

Corrective Action: _____ Date **05/18/2021**

Comply with Rule 1004. Collaborate with the landowner to determine mitigating measures that will allow reclamation work to be conducted in such a manner as to not interfere with agricultural activities or crop production.

The corrective date is not intended to be the date for which the Operator shall complete the corrective actions but rather the corrective date is the date the location was observed out of compliance.
