Subject: State Reportable Release 24 Hour Notification - Badding 1C, 26N, 16C-26HZ
Follow Up Flag: Follow up
Flag Status: Flagged

Good morning,

We had a state reportable release this this morning due to the a historical release of unknown volume at the location referenced below. This release is historical and therefore not an active release. The historically impacted soil was discovered during facility construction activities at the tank battery. Excavation activities are currently on-going and a Form 19 Release Report is forthcoming. This release did not threaten Waters of the State, Public Water System, residences or occupied structures, livestock, wildlife, air quality, or publicly-maintained roads.

The following have been notified via specified method below:

- Weld County contacted via electronic mail
- Surface Owner notification in process

The Environmental Release/Incident Report Hotline and Colorado Parks and Wildlife were not contacted as this release did not trigger notification requirements per 912.b.(2)B.

Location Details:

- Facility Name: Badding 1C, 26N, 16C-26HZ (tank battery)
- Location: NWSE 26 2N 66W
- Latitude/Longitude: 40.108321/-104.743240
- Facility ID: 421518

Thank you,

Greg L. Hamilton
