General Comment:**COGCC Inspection Report Summary**

On Wednesday at approximately 1300, I, Inspector Scott Ramsey, conducted a routine inspection at XTO Federal 2S-95-16-24AP, at Location # 316627 in Rio Blanco county Colorado.

While there, I observed normal production operations. All meters have been calibrated on location within the past year. This location is within or in close proximity to a CPW Density/High Priority Habitat, black bear, NSO habitat and Wildlife Management Area. Also within BLM stipulations area.

During this inspection the following possible compliance issues were observed:

1. Lack of battery signage.
2. Unused equipment (pump jack is disconnected and not in use, and associated equipment with pump jack)

Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
