Comment:

Corrective Action:	<p>The well location and associated offsite tank battery do not comply with Rule 1004. The well location is not reflective of reference areas and a List B Colorado noxious weed, Scotch thistle, is spreading off location, in addition to other undesirable plant species. Also, the well location has not been properly recontoured to the surrounding area.</p> <p>The same List B Colorado noxious weed species was also observed at the associated offsite tank battery.</p>	Date <b>05/25/2021</b>
	<p>Comply with Rule 1004 which includes performing noxious weed management at both the well location and associated offsite tank battery.</p> <p>Collaborate with the landowner at the well location to determine mitigating measures that will allow reclamation work to be conducted in such a manner as to not interfere with agricultural activities or crop production.</p>	
Overall Final Reclamation <b>Fail</b> Well Release on Active Location <input type="checkbox"/> Multi-Well Location <input type="checkbox"/>
