Comment: Last gas sales from the well was in 10/2018. Gas gatherer discontinued purchasing gas at that time due to a leak in a lateral associated with this lease's meter. To date they have not turned this well back on and have indicated that they may never resume gas purchases from this well. If the purchaser reinitiates gas sales a new meter calibration will be obtained.

COGCC Decision: Approved

OPERATOR COMMENT AND SUBMITTAL

Comment: Weeds on location have been addressed. Well has been SI by the gas gatherer in 10/2018 and has not been allowed to deliver gas. If and when gas sales are resumed a new calibration will be obtained.
