General Comment:**COGCC Inspection Report Summary**

On Friday 6/25/21 at approximately 13:00 hours, I, Inspector Corey De Paolo,
Conducted an on-site inspection at TEP ROCKY MOUNTAIN LLC Domestic Tap 83NENE,
Location #467555 in Garfield County Colorado.

While there, I observed the domestic tap is derived for the sales line of the TEP ROCKY MOUNTAIN LLC MOBIL-66S95W /33NENE location. The pressure is regulated with a fisher little Joe regulator. Downstream of the regulator is a fluid knock out. All fittings appear to be sufficient to handle the maximum operating pressure of the regulator. The domestic tap services the house to the North of location. This is a summary of inspection report.
