Comment:

Three wells observed on the Location; records show 2 of the 3 wells as "Equity Oil", and 3rd as "unknown". Stakes appear to have been installed since 4/2021 inspection identifying all 3 wells as the "AC McLaughlin 60", "AC McLaughlin 61", and the "AC McLaughlin Unknown" (wooden casing). Two "freshwater pits" also identified.

Various cable and trash debris observed throughout Location.

No records exist for wells; plugging and abandonment date unknown.
