**Subject:** State Reportable Release 24 Hour Notification - HSR-SHARKEY 8-34

**Follow Up Flag:** Follow up  
**Flag Status:** Flagged

Good morning,

We had a state reportable release today due to the volume of impacted soil removed from the location referenced below. This has been controlled. The impacted soil was discovered during tank replacement and removal activities. Excavation activities are currently on-going and a Form 19 Release Report is forthcoming. This release did not threaten Waters of the State, Public Water System, residences or occupied structures, livestock, wildlife, air quality, or publicly-maintained roads.

The following have been notified via specified method below:

- Weld County via electronic mail,
- Surface Owner notification is in process,
- Colorado Parks and Wildlife via electronic mail

The Environmental Release/Incident Report Hotline was not contacted as this release did not trigger notification requirements per 912.b.(2)B.
