General Comment:

On 7/20/2021 Catherine Roy conducted a reclamation and stormwater inspection. During this inspection the following compliance issues were observed:

-Remove and properly dispose of weed debris by 8/22/2021.

-Stabilize erosion on the access road by 8/22/2021. Grading out erosional features is not an adequate erosion control.

See below, and attached photos for additional detail.
