**General Comment:**

On 7/22/2021, Reclamation Specialist Trujillo conducted an interim reclamation and stormwater inspection at TEP's Federal PA31-26 location in Garfield County, Colorado.

The following compliance issues were observed during this inspection:  
1003.f: Weeds

Refer to the "Reclamation" section of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up inspection on this site will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules

Comment

Interim reclamation and revegetation activities performed Spring 2021; desirable plant germination largely not observed on interim areas; continue to monitor and assess reclamation to determine if additional seeding activities is required, to ensure site progresses towards 1003 standards. A followup inspection will be conducted to evaluate the reclamation.

Noxious weeds (Halogeton) observed established along the access road.

Corrective Action **Comply with Rule 1003.f**
