**Re: Noxious Weed Treatment Activities Report**

**LOCATIONS:**

Name: Railay and Lazy D Locations and Lease Roads  
County and State: Weld County, Colorado

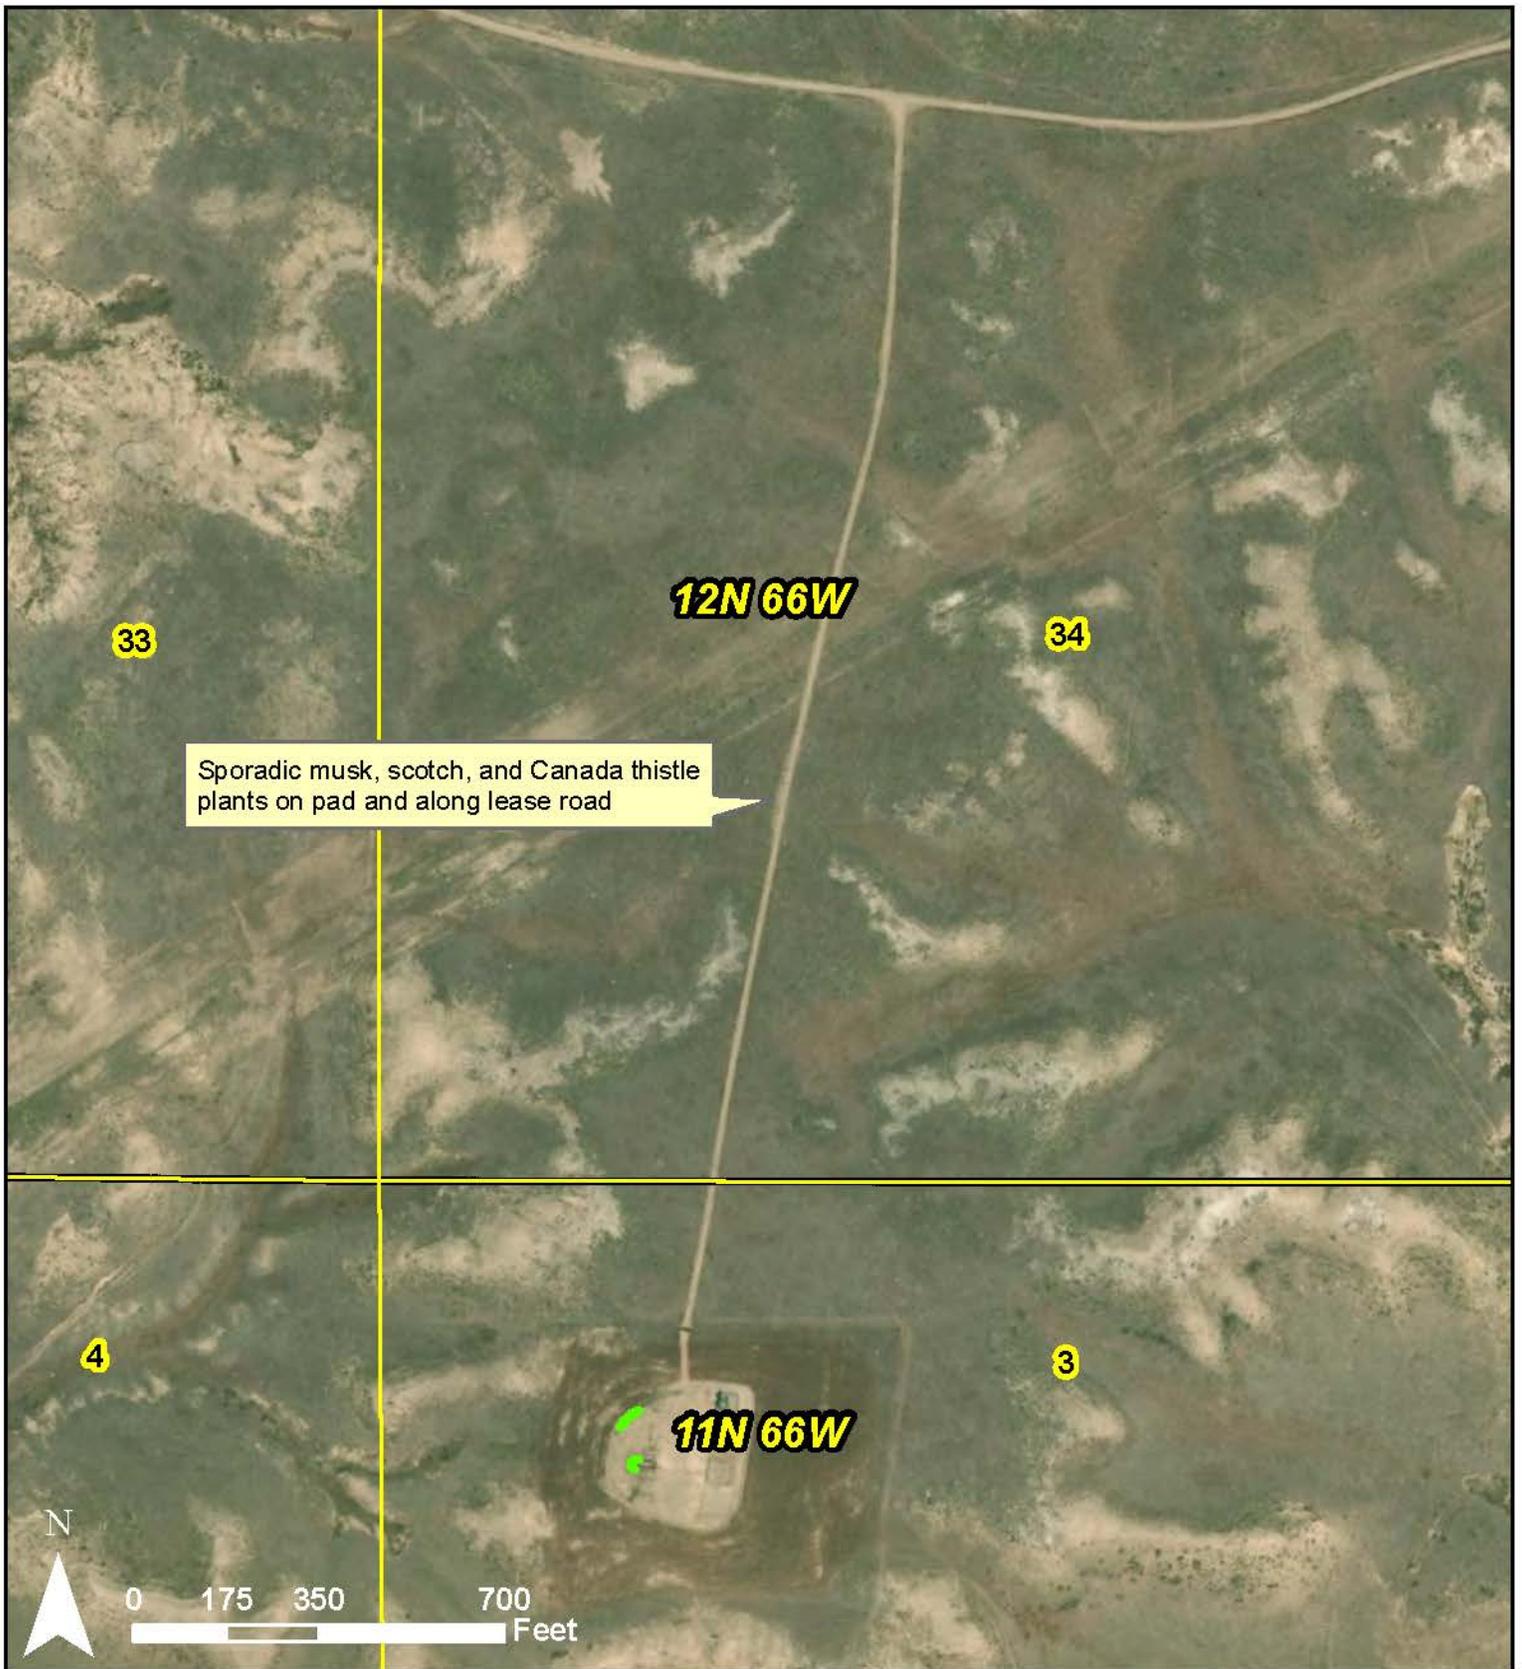

**SUMMARY:**

Quandary Consultants, LLC (Quandary) completed noxious weed treatment for Longs Peak Resources, LLC (LPR) on July 22, 2021. The noxious weed treatment activities were conducted for the Railay and Lazy D locations, and the associated lease roads.

These treatments were completed as a follow-up to Interim Reclamation and Stormwater Inspections completed by a Colorado Oil and Gas Conservation Commission (COGCC) representative on July 8, 2021. Maps (Figures 1 – 2) of the treatment areas and the observed noxious weed species are attached. A copy of Quandary Consultants' license as a commercial applicator and an endorsement from the Department of Agriculture are also attached.

A handwritten signature in blue ink, appearing to read "M. Harrison", is written over a faint, illegible background stamp.
