COGCC Inspection Report Summary

\*\*Weather Conditions: sunny, dry ground

On Thursday, June 22, 2021 at approximately 15:30, I, Inspector Brittani Santistevan, conducted an on-site inspection at LEFFLER 14-35 (PDC Energy), at location #: 310643 in WELD COUNTY Colorado.

While there, I observed a shut in wellhead.

During this inspection the following possible compliance issues were observed:

1. No sign is posted on wellhead fencing. Install sign to comply with Rule 605.d. (Corrective Action Date: October 23, 2021) See attached photo #1.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
