**General Comment:****COGCC Inspection Report Summary**

On Friday 7/23/21 at approximately 13:00 hours, I, Inspector Corey De Paolo, Conducted, a follow up inspection at TEP ROCKY MOUNTAIN LLC BOSELY67S96W /23SESW, Location #334579 in Garfield County Colorado.

Refer to document #699802725 and #699802961 inspection conducted on 3/8/21 and 4/21/21. Not all previous corrective actions have been completed.

While there, I observed normal production operations.

During this inspection the following compliance issues were observed:

1) Location lacks stabilization. No form of tracking BMP at entrance to location with a previous corrective action date of 3/23/21.

- The Location is located in a high priority habitat area. All drainages contribute to the Colorado River.

A follow up on this site inspection needs to be conducted to ensure the Compliance issues have been corrected to comply with COGCC rules.  
This is a summary of inspection report.
