**General Comment:****COGCC Inspection Report Summary**

On Tuesday 8/3/2021 at approximately 1300, I, Inspector Scott Ramsey, conducted a routine inspection at TEP Government MHF-3, at Location # 314955 in Rio Blanco county Colorado.

While there, I observed actively filling in a hole where well head was. All associated equipment for production is still in place. Well was just P/A'd the day before, well head was cut off and still on location.

During this inspection the following compliance issues were observed:

1. Unused equipment/debris

Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules

This is a summary of inspection report.
