Comment:

Well location and access road appear to meet final reclamation regulations and standards, and appear reflective of reference areas. Unable to find evidence of oil and gas activities and/or disturbances.

Tank battery appears to meet final reclamation regulations and standards, and appear reflective of reference areas. Unable to find evidence of oil and gas activities and/or disturbances. SW Section of tank battery shows stunted growth, however location is in the corner of the crop field where majority of water doesnt reach. Stunted growth appears in other corners of the field and in adjacent reference area.
