<p>COGCC Inspection Report Summary                      On Friday August 6, 2021 at approximately 11:43PM, I, Inspector Randy Silver, conducted an on-site inspection.                      Location: Bailey #43-1                      Operator: Crestone Peak Resources                      API#: 013-06500                      County: Bolder                      While there, I observed Shut In well site.                      During this inspection the following possible compliance issues were observed:                      Weeds: Rule 606 corrective action date of 8-13-21 See photo 1,2,3                      Weather conditions: dry                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	silverr	08/06/2021
