General Comment:**COGCC Inspection Report Summary**

On Thursday 8/12/21 at approximately 13:30 hours, I, Inspector Corey De Paolo, Conducted an on-site inspection at TEP ROCKY MOUNTAIN LLC FEDERAL-67S96W /3SESE, Location #334876 in Garfield County Colorado.

While there, I observed normal production operations.

During this inspection the following compliance issues were observed:

- 1) Separators missing required information with a corrective action date of 10/12/21.
- 2) Multiple wellhead signs weathered and not legible with a corrective action date of 10/12/21.
- 3) Location lacks stabilization. Insufficient tracking BMP at entrance to location with a corrective action date of 8/27/21.

- Location is located in a high priority habitat area. All drainages contribute to Parachute creek.

A follow up on this site inspection needs to be conducted to ensure the Compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
