**General Comment:**

[COGCC Inspection Report Summary](#)  
On Thursday 8/12/21 at approximately 14:30 hours, I, Inspector Corey De Paolo, Conducted an on-site inspection at TEP ROCKY MOUNTAIN LLC FEDERAL-67S96W /3NESE, Location #334831 in Garfield County Colorado.

While there, I observed normal production operations.  
During this inspection the following compliance issues were observed:

- 1) Separators missing required information with a corrective action date of 10/12/21.
- 2) Location lacks stabilization. Insufficient tracking BMP at entrance to location with a corrective action date of 8/27/21.

- Location is located in a high priority habitat area. All drainages contribute to Parachute creek.

A follow up on this site inspection needs to be conducted to ensure the Compliance issues have been corrected to comply with COGCC rules.  
This is a summary of inspection report.
