Re: Bond #C-706873 - \$2,000

Gentlemen:

This is in reply to your letter of May 18, 1954, with reference to Bond No. C-706873 in the amount of \$2,000.

On February 28, 1952, the following letter was written to the Massachusetts Bonding and Insurance Company:

"Our records show that Vaughey and Vaughey have filed with this office notices required by the regulations, and have indicated by such notices that the well known as E. E. Britton #1, SW SW SE 7-9N-53W, 6th P.M., Logan County, Colorado, has been plugged and abandoned in accordance with the regulations issued by the Oil and Gas Conservation Commission of Colorado."

The only other bond remaining in your file that is still in effect is Bond No. 64865 in the amount of \$2,000, dated January 4, 1951, and filed in connection with the drilling of your #1 M. Carey well in the SE $\frac{1}{4}$  of Section 21, Township 9 North, Range 53 West, Logan County, Colorado.

Since this office does not require bonds from your company, this bond may also be released.

Sincerely,

Annabel Hogsett, Assistant Secretary
